

ETH-NOH-TEC

Eth-Noh-Tec is a kinetic story theater company based in San Francisco, weaving together distinctive cultural elements of the East and West to create new possibilities. Master storytellers **Nancy Wang** and **Robert Kikuchi Yngojo** will bridge eastern and western world cultures together by sharing both modern and traditional folktales from Asia. Their engaging style of performance transports the audience across the world to locations like the shores of Japan, the rice fields of Vietnam, and the villages of Tibet. The duo has been together telling stories for 30 years, producing several storytelling and music events in the Bay Area. Eth-Noh-Tec has won numerous awards and has had the honor of performing at the Kennedy Center and during inauguration celebrations for both President Bill Clinton and President Barack Obama. Recommended for ages 6 and older.
