

# CITY CENTER UTILITIES RELOCATION REMOVAL OF CONTROLLED ACCESS NOTICE

## Dillingham Boulevard between Laumaka Street and Mokauea Street Removal Date: Early November 2020

The Honolulu Authority for Rapid Transportation (HART) and Nan, Inc. would like to notify area residents and businesses of the upcoming removal of controlled access that is currently in place along Dillingham Boulevard between Laumaka Street and Mokauea Street. The controlled access (roadway traffic controls, cones and directional signage) is being removed while HART further develops its utility relocation design plans over the next several months. When the future utility relocation work is scheduled to resume, residents and businesses will receive an updated notification and can expect roadway traffic controls to be reestablished along Dillingham Boulevard.

Please note ongoing work will continue along Kamehameha Highway between Middle Street and Laumaka Street for Airport Guideway and Stations work.

### RESTORATION PLANS

- Dillingham Boulevard between Laumaka Street and Mokauea Street will be restored to full service by early November.
- Steel plates are being removed and holes/trenches are being backfilled and paved over to restore the roadway.
- Sidewalks and pedestrian access will be restored for area residents and businesses. Some measures may be temporary (asphalt vs. concrete).
- Traffic lanes will be restriped as required.
- All bus stops will revert back to original locations. For up-to-date bus information, visit [www.TheBus.org](http://www.TheBus.org) or call (808) 848-5555. For real time bus arrival information, visit [hea.thebus.org](http://hea.thebus.org).
