

"We cannot walk alone."

Instead of footsteps in a parade this year, the Hawaii NAACP invites you to honor Dr. King's legacy with service.

Everybody can be great ... because anybody can serve.

You don't have to have a college degree to serve.

You don't have to make your subject and verb agree to serve.

You only need a heart full of grace. A soul generated by love.

Dr. Martin Luther King

"With a heart full of grace" please donate to:
