Monday Traffic Update

HART and the Frank V. Coluccio Construction Company (FVCCC) would like to inform motorists of daytime lane closures along Nimitz Highway and Iwilei Road required for ongoing Downtown Utilities Relocation (CCUR III) work.

From **Monday, August 28** through **Friday, September 1, 2023**, between the hours of **7 am to 6 pm**, the off-ramp from westbound Nimitz Highway onto Iwilei Road will be closed.

Motorists on westbound Nimitz Highway seeking access to Iwilei Road during this closure period will instead be detoured to Sumner Street. Two-way traffic will be maintained for motorists travelling near established work zones on Iwilei Road.

Pedestrian sidewalks may also be closed near designated work zones. Special duty law enforcement officers and on-site personnel will assist pedestrians and motorists as need.

For additional information and an illustrated detour map:
