SUMMER 2024

Aloha Friends and Neighbors,

It has been an incredible and extraordinary experience as your State Senator, and I am truly honored to represent each and every one of you. I am grateful to serve you for the 2024 Legislative Session!

For the 2024 Session, the legislature has approved over **\$12 million in Capital Improvement Project (CIP)** funding for our district. These CIP's are critical for repairs and improvements to our schools and infrastructure. Additionally, these funds also bring in new local jobs and help to improve the local economy of District 16!

On the topic of CIP's, I am extremely thrilled that Governor Green has released the funding of **\$7M** to **'Aiea High School** for a new synthetic athletic field and track, and **\$4M** to **Pearl City High School** for the lighting, electrical improvements, and equipment for the **Nakasone Performing Arts Center**, the funding for these projects were priorities for me and I am forever grateful that they were funded.

I introduced forty-two measures relating to a large breadth of subject matters from public safety, social services, transportation, housing, fireworks, and of course, CIP's. I am very happy to report additional CIP's were approved and included into the 2024 Budget (see page 2 for breakdown).

House Bill (HB) 2619 RELATING TO AGRICULTURAL BIOSECURITY requires the Department of Agriculture to lead and coordinate the State's invasive pest control and eradication biosecurity efforts. Appropriates \$19.78 million to the Department of Agriculture for programs and positions in agricultural biosecurity. Also appropriates to each county as a grant-in-aid, subject to a county match, for the implementation of feral chicken control programs.

HB 2404 RELATING TO INCOME TAX incrementally increases standard deduction amounts and widens income tax brackets for specific taxable years beginning after 12/31/2023. This bill essentially doubles the standard deduction starting next year and will reduce the tax burden on low- and middle-income households.

I remain steadfastly committed to open and inclusive representation and I strongly encourage everyone in our communities to become involved in the legislative process. Please do not hesitate to contact my office with any concerns that you may have. Mahalo for your continued support, it is truly an honor to be your voice in our state legislature.
