In the Community

MAYOR BLANGIARDI'S TOWN HALL

Honolulu Mayor Rick Blangiardi held his sixth town hall meeting at Radford High School to hear from residents of Pearl City, 'Aiea, Salt Lake, Kalihi, Chinatown and Downtown.

MOANALUA ORCHESTRA

Having played the cello himself, Representative Shimizu greatly enjoyed both Moanalua Middle and Moanalua High School's final performances of the year. Moanalua High School's 2025 Aloha Concert featured the Chorus Ensemble, Concert Band, Symphonic Band, and Symphonic Wind Ensemble. He is pictured with Moanalua High School Music Director Andrew Ching.

CIVICS BEE: HAWAII STATE FINALS

Representative Shimizu attended the inaugural National Civics Bee - Hawai'i State Finals. Ryker P., from Moanalua Middle School, won first place and will go on to compete at the National Championship in Washington, D.C. in November.

THE PANTRY VISIT

Operating in District 32, The Pantry is Hawai'i's only e-commerce food pantry that operates year-round to provide free, nutritious food to local families. Representative Shimizu joined Representative Iwamoto for a tour of the facility.

HAWAII FOOD BANK

Every 2nd Saturday in May is the National Association of Letter Carriers' (NALC) "Stamp Out Hunger National Food Drive." It is the largest one-day food drive in the nation. Representative Shimizu and his wife joined fellow Kinaole Lions club members and many other volunteers in assisting the Hawai'i Food Bank by sorting and packing donated canned goods and food items that day.

HIKING WITH THE NEWLY FORMED MOANALUA-KALIHI-KAPALAMA-NUUANU WATERSHED COLLABORATION

At the invitation of Moanalua Gardens Foundation, Representative Shimizu hiked Moanalua Valley Trail to learn more about the trail. Also known as the Middle Ridge trail, Moanalua Valley Trail is the start of the Kamananui Valley Road Trail and eventually leads to the Kulana'ahane Trail at the top of the Ko'olau mountains. The trail was closed last year due to the removal of Hā'ikū Stairs.

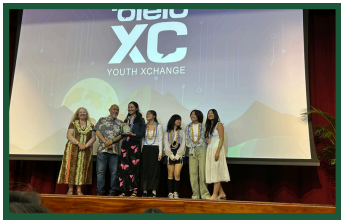

RED HILL VISIT

Alongside fellow Legislators, Representative Shimizu visited the Red Hill Fuel Facility for a visual tour. The Federal government's decision to decommission the tanks has largely progressed with all fuel drained, cleaning of tank interiors are in progress and ahead of schedule, and piping removal will start sometime this 3rd quarter. Tracking, monitoring, and resolving previously spilled fuel that has entered our aquifer continues to be a main concern. It is important to continue holding the Federal government accountable in addressing them.

U.S. Fleet Forces Command produced an informative video which provides a good overview of the history of the Red Hill Bulk Fuel Storage Facility. You can watch the 15-minute-long video here: <https://www.youtube.com/watch?v=llz8lstwnWU>

OLELO XC

The 22nd Youth Xchange Student Video Competition (YXC) Awards Show, was the culmination of the signature youth education initiative, Youth Xchange. The annual student video competition encourages Hawai'i students from elementary to high school to create videos on timely and relevant topics that align with the work of community organizations and government agencies. Representative Shimizu supported District 32's finalists. Moanalua Elementary School's "Help, Hawai'i," Moanalua Middle School's "Don't Be Trashy," and Moanalua High School's "Your Words Have an Effect," were finalists in the public service announcement category. Moanalua Middle School's short "The Truth About Fast Fashion" was also a finalist.
