

ALOHA HARVEST'S COMMUNITY HARVEST PROGRAM

My name is Laney and I am a Cadette Scout with the Honpa Hongwanji Girl Scouts Troop 383. I am partnering with Aloha Harvest for my Silver Project.

Do you have extra fruits or vegetables that need to be harvested, and you have difficulty picking them yourself?

Please see the attached flyer for information about the Community Harvest program. If interested, contact me at mamotraders808@gmail.com and I will work with Aloha Harvest to help you.

WASTE LESS, FEED MORE.
