Aloha Friends and Neighbors,

Happy New Year to you and your 'ohana!

As we begin 2026, I want to share an update on our work over the past year and what lies ahead as we enter a new legislative session. I am deeply honored to continue serving as your State Senator and grateful for the trust you place in me to represent District 16 at the Hawai'i State Legislature.

As we begin this new session, I'm excited to announce my new roles serving as Chair of the Senate Committee on Labor and Technology (LBT), Vice Chair of the Transportation (TRS) Committee, and as a member of the Housing (HOU) Committee. I'm also grateful to continue my work on the Ways and Means (WAM) Committee, where I remain focused on responsible budgeting and sound fiscal priorities. I look forward to working with my colleagues to deliver meaningful results for District 16 and communities across Hawai'i.

ADDRESSING SAFETY

New Measures to Address Illegal Fireworks

A recent bill signing marked an important step forward in protecting our communities by strengthening enforcement against illegal fireworks. With the passage of HB 1483, HB 806, HB 550, and SB 222, these measures reinforce public safety efforts and respond directly to community concerns about fireworks-related harm.

SB97 (ACT 170) - Enhancing Traffic Safety

I am honored to share the passage of Senate Bill 97, relating to motor vehicles, which strengthens road safety by increasing penalties for repeat excessive speeding offenses. The measure elevates a third or subsequent violation within five years to a misdemeanor with a mandatory minimum jail sentence of thirty days. This legislation reflects a shared commitment to accountability and protecting our communities from dangerous driving behavior.
