Aloha Stadium Dismantling Work Update

Beginning **Saturday, March 14**, work related to the **Aloha Stadium dismantling project** may take place on Saturdays in addition to the current weekday schedule. These efforts are part of the ongoing work to safely and efficiently dismantle the stadium and remain on schedule.

Our teams are working to minimize noise and dust as much as possible and appreciate the community's patience and understanding as this work moves forward.

If you have any questions or concerns, please contact us at **alohastadium@hawaii.gov** or leave a message at **808-483-2500**.

Mahalo for your continued support.
